

POWRTWIN™ SERIES

Since their introduction almost half a century ago, Titan PowrTwin hydraulic piston sprayers have a well-earned reputation for durability and dependability among serious contractors for large scale residential, commercial and industrial applications and multi-gun usage.

Convertible

Easy, tool-free convertibility for projects where gas engines are not permitted.

2.0 HP Electric Converto Kit sold separately.

Belt Guard

Easy access for converting from electric to gas power.

Speeflo® HydraDrive™

Smooth, slow-stroking hydraulic drive provides extreme power and reliability.

Severe Service™ 900 Pump

Cylinder and piston rod are tempered with a proprietary heat-treating process that increases pump life 150% over competitive pumps. And self-adjusting packings resist over-tightening and help prevent premature wear.

POWERED by
HONDA™

POWRTWIN™ 4900 PLUS

1.50 GPM

Recommended for up to 250 gallons per week.

Features:

Accurate Pressure Control

Ranges from 400 to 3300 PSI. Spray low viscosity primers to heavy-bodied finish paints.

Vented Hydraulic Fill and Dip Stick

Easy access for less mess.

Easy-Remove Filter

Only 3 turns to remove.

Wrap Around Frame

For extra strength and stability.

Durable Cart

With telescoping handle and convenient lift handles.

Honda® 160cc OHV GX160 Engine

Overhead cam engines have greater fuel efficiency than overhead valve engines.

Convenient Pail Hook

PowrTwin 4900 Plus

Designed and built for contractors who are serious about completing large scale painting projects quickly and profitably. The PowrTwin 4900 Plus is ideal for professionals who want the slow-stroking power and maximum durability that only the PowrTwin 4900 Plus can deliver. Delivering 1.5 gallons per minute means you can connect up to 3 guns and keep a crew spraying.

The PowrTwin 4900 Plus comes complete with RX-Pro Gun, 517 TR1 Reversible Tip and 1/4" x 50' Airless Hose.

Honda® 270cc OHV GX270 Engine

Dependable, gas-powered engine with low-oil alert.

The PowrTwin 12000 Plus comes complete with S-5 Gun, 517 TR1 Reversible Tip and 1/4" x 50' Airless Hose.

POWRTWIN™ DI SERIES

The PowrTwin DI units with submersed foot valve create the most efficient siphon system on the market today allowing the spraying of very heavy coatings. Additionally, our EZ swing frame makes this the most efficient and convenient to use gas hydraulic system in the market today.

Features:

Direct Immersion

The 6900 Plus DI has a submersed foot valve which you allows you to siphon heavy viscosity coatings.

Power Multiple Spray Guns

The 12000 Plus DI has an industry leading 3.15 GPM giving it the ability to power up to 6 spray guns.

Easy to Convert

Easily convert to gas or electric power without any tools.

Belt Guard

Easy access for converting from gas to electric.

EZ Swing Frame

Allows for less spillage during paint changes and lower height (and center of gravity) of unit for easy transportation.

POWERED by
HONDA™

PowrTwin 6900 Plus DI

0290021

Configured with a submersible foot valve designed for very heavy materials, including drywall mud.

■ PowrTwin 6900 Plus DI Electric

PowrTwin 12000 Plus DI

0290023

The flagship of the line and is recommended for very large scale projects where up to 6 guns may be needed, or application of very heavy coatings. The most portable roofing sprayer ever.
